And now for the obligatory fine print, enhanced for those with “mature sight” issues...a bigger font.

- A \$200 deposit secures the day. Package selection and payment in full should be made at least one week prior to event. If Mendy were to become unable to cover your event, she will find a comparably artistic photographer. (This has never happened).
- Within one week of the event, a photo viewing will be scheduled. At that time, you will receive a custom designed slide show of the event. This is also when images are selected for your package.
- Your portrait reprints are enhanced and retouched. This is where you can request whitened teeth or softened skin. Cool, huh?
- Within 24 hours, at least ten of my favorite images will be posted on Facebook.
- Taxes in addition to all prices.
- **\$75 photo credit for each referral that results in a booking.**
